An 20% service charge will be automatically added to all bar and dining room beverage charges.

FUEL SURCHARGE: The rapid escalation of fuel prices has led to a current fuel supplement price. This amount may modestly go up or it may come down depending on future prices. Legendary will be given an exact amount from HAL 30 days before the January 31, 2027 sailing. At that time passengers may be given a slight bill to cover any overages in HAL's daily supplement fees.
